GIN

	50ml
<b>Beefeater</b>	£6.50
<i>A premium gin which is crisp and refreshing, originating in England.</i>	
<b>Beefeater24</b>	£8.50
<i>Beefeater 24 is a sophisticated gin with a blend of fine botanicals and exotic teas.</i>	
<b>Tanqueray</b>	£7.50
<i>Renowned for its flavour and honoured as one of the world's most awarded gins.</i>	
<b>Tanqueray 10</b>	£9.25
<i>Tanqueray No. TEN gin is an homage to the passion and attention to detail that Charles Tanqueray stood for. Crafted with the perfect Martini in mind, the fresh citrus fruits of No. Ten perfectly complement and capture the exquisite essence of the ultimate Martini.</i>	
<b>Bombay Sapphire</b>	£8.50
<i>Trendy younger sibling to Bombay Original, on whose recipe it is based (with a couple of extra botanicals). Credited with kick-starting gin's fashion ability since its launch in 1987, Bombay Sapphire has become a truly iconic brand, with its distinctive blue bottle recognisable in bars the world over.</i>	
<b>Bombay Sapphire Premier Cru</b>	£10.50
<i>Bombay Sapphire has gone and created a supremely zesty London dry gin featuring sustainably grown Spanish fino lemons, mandarins, and sweet naval oranges from Murcia! As you might expect, this expression offers up a host of vibrant citrus notes, balanced by robust pine and peppercorn notes from the juniper at its heart.</i>	
<b>Hayman's London Dry</b>	£8.00
<i>This family recipe of 10 trusted botanicals. We measure, by hand, just the right balance of juniper, coriander, lemon peel and orange peel, as well as angelica, orris root, cinnamon, cassia bark, nutmeg and liquorice. Then steep those botanicals in English wheat spirit for a whole day prior to distillation, which allows the oils and essences to infuse fully. Such care and attention, and the following of original methods, ensures that Hayman's London Dry Gin remains a classic gin. Fresh, crisp and elegant, with a lively citrus finish. Just the way it should be.</i>	
<b>Hayman's Family Reserve</b>	£10.50
<i>We took inspiration from the grand London Gin Palaces and made something a little different. A limited edition that's released in small batches of 5000 bottles, each individually numbered. Our Family Reserve Gin is wonderfully smooth, rounded and well-balanced, with peppery and spicy notes from the dominant botanicals, juniper and coriander, adding to its full-flavoured individuality.</i>	

<b>Hendrick's</b>	£10.50
<i>Still produced in 500 litre batches, Hendrick's Gin is the marriage of two different spirits from two rare and unusual stills: the Bennet still (built 1860) and the Carter-Head still (built 1948). By combining the two spirits produced in each still and the infusion of the remarkable Bulgarian Rosa Damascena and specially selected cucumbers from the finest producers, the result is an extraordinarily smooth gin that has the required character and balance of subtle flavours.</i>	
<b>Hoxton Gin</b>	£10.50
<i>A classic Dry Gin with real modern, botanical flair. Leading with Juniper yet delicately balanced with 100% natural ingredients, including; grapefruit, ginger, orris root &amp; tarragon.</i>	
<b>Marylebone Gin</b>	£9.50
<i>Mary-Le-Bone London Dry Gin takes its name from the Marylebone pleasure gardens which were popular over 300 years ago. This premium London gin has been made in the Heart of the city from potstill spirit and 13 carefully selected botanicals. Delicate and complex, it has floral notes on the nose with strong juniper and citrus grapefruit on the palate.</i>	
<b>The Botanist Islay Dry Gin</b>	£10.50
<i>This Premium gin is a progressive exploration of the botanical heritage of the island of Islay, in Scotland. The Botanist gin contains 22 hand-picked wild, local botanicals delicately refine nine berries, barks, seeds and peels during a painfully slow distillation. This first and only Islay Dry Gin is a rare expression of the heart and soul of our remote Scottish island</i>	
<b>Chase Williams Great British</b>	£9.50
<i>Williams GB Gin is made from our own single-estate vodka that is grown, fermented, distilled and bottled on our family farm deep in middle England. We infuse juniper buds and berries to ensure that we distil the driest gin possible, followed by 10 fine botanicals including; cinnamon, nutmeg, ginger, almond, coriander, cardamom, cloves, liquorice and lemon.</i>	
<b>Sipsmith</b>	£9.50
