**Bombay Sapphire**

Trendy younger sibling to Bombay Original, on whose recipe it is based (with a couple of extra botanicals). Credited with kick-starting gin's fashion ability since its launch in 1987, Bombay Sapphire has become a truly iconic brand, with its distinctive blue bottle recognisable in bars the world over.

**Star of Bombay**

Star of Bombay is a higher-strength, super-premium variant of Bombay Sapphire. The classic notes of juniper, angelica and coriander have been intensified, with the addition of bergamot and ambrette seeds offering extra exoticness. A rich and intense gin.

**Hayman's London Dry**

This family recipe of 10 trusted botanicals. We measure, by hand, just the right balance of juniper, coriander, lemon peel and orange peel, as well as angelica, orris root, cinnamon, cassia bark, nutmeg and liquorice. Then steep those botanicals in English wheat spirit for a whole day prior to distillation, which allows the oils and essences to infuse fully. Such care and attention, and the following of original methods, ensures that Hayman's London Dry Gin remains a classic gin. Fresh, crisp and elegant, with a lively citrus finish. Just the way it should be.

£6.50

**Hayman's Family reserve**

We took inspiration from the grand London Gin Palaces and made something a little different. A limited edition that's released in small batches of 5000 bottles, each individually numbered. Our Family Reserve Gin is wonderfully smooth, rounded and well-balanced, with peppery and spicy notes from the dominant botanicals, juniper and coriander, adding to its full-flavoured individuality.

£8.50

**Chase Williams Great British**

Similarly to our Elegant Gin, our Williams GB Gin is made from our own single-estate vodka that is grown, fermented, distilled and bottled on our family farm deep in middle England. We infuse juniper buds and berries to ensure that we distil the driest gin possible, followed by 10 fine botanicals including; cinnamon, nutmeg, ginger, almond, coriander, cardamom, cloves, liquorice and lemon

£7.00

**Chase Elegant**

An elegant gin, offering a full bodied, sharp, yet fruity experience with tears and true provenance

£9.00

**Sipsmith**

The quintessential expression of a classic, traditional London Dry Gin. Bold, complex and aromatic – smooth enough for a Martini, but rich and balanced, perfect for a G&T.

£7.50

**Sipsmith gin VJOP**

Imagine the botanicals as components in an orchestra, here we have taken the lead instrument, juniper, and amplified its presence in the ensemble, then raised the decibels by increasing the proof of alcohol. The result is our very own symphony in 'J' major.
